

Sponsorship

Sparetime Lanes AND PROJECT LINK
ARE PROUD TO PRESENT...

Please consider being a sponsor of Project Link's 1st Annual Roll Over Autism!

*We have many ways to help this
Fund Raiser be a Great Success!*

Project Link is a local Non-For-Profit 501 (c)3 organization. We are hosting a special event where all proceeds go to help area children, their families and educators receive recreation, training and consultation services they require in order to provide the best possible outcomes. One in every 91 children across the United States is diagnosed with this neurological disorder that robs children of functional communication skills, stunts their social and emotional development, impairs their senses and awareness of the world around them. You can help them reconnect!
