

## **2011 Autism Awareness Month Fundraising Event Hair Extensions for Autism courtesy of SIDNEY'S HAIR SALON**

April is World Autism Awareness month and the children and families of the Capital Region need your help! Project Link in conjunction with Sidney's are teaming up to provide hair extensions throughout the month of April where all proceeds will go to expand Project LINK's family recreation programs. Project Link is opening classroom space within the area for children with Autism. This space will provide a place for children with Autism to go to after school, evenings, weekends and during school vacation breaks.
