FALL 2011 Training Series

Join us for two great informational sessions on two very HOT topics!

Setting up after school routines in your home may be difficult. Parents, educators and caregivers can learn how to use effective strategies to help maximize their child's experiences after school in any environment!

Title: Setting up after school routines (for children with ASD)

Presenter: Ms. Carmen Martin, Behavior Analysts Inc.

Date: October 17, 2011

Time: 10am-12pm

Location: Wildwood Rte. 7 Schenectady, NY

Children with ASD often have difficulty with social skills in all environments. Educators, parents and caregivers can learn how to identify various areas of need and promote effective development.
